

OLL +

“Before and After School” Program Our Lady of the Lake School

2021 - 2022

Our Lady of the Lake School’s “OLL+” program provides families the option of **Before and After School childcare** throughout the school year. The program is designed to meet the needs of parents by offering a safe, accessible, and affordable school-based program. OLL+ makes it easy to provide your child with opportunities for fun, socializing and learning. Your child will have the opportunity to do homework, participate in group activities and more.

Plus, with our convenient hours and breakfast and snack service it easy for your child (and you!) to get into a routine. In addition, our program includes inclement weather and limited holiday or other breaks from school support.

Our program features include:

- **Convenient Location:** Our program is housed in the elementary school which means parents do not have to provide transportation between school and childcare.
- **Fully Functional Room:** Program has own designated location which includes homework, technology, and play/social areas to meet needs of each child.
- **Convenient Hours of Operation:** Childcare begins at 7:00 AM and operates until the start of the school day. The afternoon session begins at the end of the school day and operates until 5:00 PM. Both sessions afford parents the flexibility to meet the needs of their busy home and work schedules.
- **Breakfast and Snack Service:** Our hot and cold breakfast service ensures that your child gets their day off to a good start (served until 8:15 AM) and an after-school snack to satisfy them.
- **School Breaks:** We are open even when school is not; teacher conferences, workshops, inclement weather, and half days are no problem.
- **Winter and Spring Breaks:** We are even open on a limited basis around the Thanksgiving, Christmas, and Easter breaks.
- **Caring Staff:** a program that meets the highest quality of childcare standards.
